Madam/Sir,

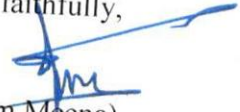

I am directed to say that the Ministry of Women and Child Development being the Nodal Ministry for Gender Budgeting has been organising various training programmes and workshops on Gender Budgeting over the last few years in collaboration with various Government Training Institutes in the country. With the ongoing training programmes of the Ministry, many States/UTs have undertaken Gender Budgeting initiatives with different methodologies and in some cases have developed effective gender mainstreaming frameworks in planning and budgeting.

2. In this connection, proposals are invited from the State Governments/UT Administrations as well as National and State Level Training Institutions for organising Gender Budgeting workshops during the year 2021-22. A copy of the Guidelines for submitting proposals under Gender Budgeting Scheme is available on the Ministry's website at <http://wcd.nic.in/schemes/gender-budgeting-scheme>. The Ministry would provide financial support for organising training programmes/workshops during the financial year 2021-22 subject to submission of UC, SoE, Course Report and Unspent Amount, if any from any previous training programmes organized under this Scheme. It is requested to kindly follow the guidelines in toto and provide component-wise financial implications, bank details and agency details along with the proposal.
