Subject: Revision of time limit to apply for benefits under Pradhan Mantri Matru Vandana Yojana (PMMVY) - a sub-Scheme of Samarthya under Mission Shakti

Madam/Sir,

I am directed to refer to this Ministry's letter No. WW-23/1/2021-WW dated 14th July, 2022 conveying implementation guidelines of Mission Shakti which encompasses the PMMVY Scheme which came into operation from 1.4.2022. In the existing PMMVY scheme, a time frame of 730 days from the date of LMP has been provided to enable beneficiaries to apply for availing the benefits which are meant to provide partial wage compensation, seeking good health behaviour and promoting positive behaviour towards girl child. It has been observed that the cash incentive provided for fulfilment of these specific purposes gets diluted if the same are received well after the child birth. Therefore, a need has been felt to rationalize the period for availing the benefits after the date of this communication as under:-

Instalment	Conditions	Time frame
First Instalment	On registration and at least one Ante-natal check-up at the Anganwadi Centre (AWC)/ approved Health facilities may be identified by the respective administering State /UT	270 days from child birth.
Second Instalment	<ul style="list-style-type: none">• Child Birth is registered• The child has received all due vaccines till the age of fourteen weeks as admissible under the Universal Immunization Programme of Ministry of Health and Family Welfare	

2. For the beneficiaries of second child birth (only if girl) born on or after 01.04.2022, the period of applying for PMMVY benefits will be till 30.06.2023. Beyond 1.7.2023, the time frame for applying for benefits under PMMVY for the second child (only if girl) will be 9 months (270 days) after child birth.
